16th June 2010

Superseded model SRK10CHVA-S & new models SRK10YJ-S, SRK13YJ-S, SRK18YJ-S

Please be advised that model SRK10CHVA-S 2.5kW Cool only wall split type is no longer available. It will be replaced by SRK10YJ-S 2.5kW Cool only wall split type.

Additional new models in the range include SRK13YJ-S 3.5kW Cool only wall split type and SRK18YJ-S 5.0kW Cool only wall split type.

These new models use R410A and have inverter driven compressors.

Supply of these new models is scheduled for September 2010.
