### Changing Models

Dear Valued Customers,

Due to Mitsubishi Heavy Industries product lineup changes across the range of RAC and PAC, current models will soon be updated. For example, FDU140VNV will be replaced by FDU140VNXVD. MHIAA urges all customers to check their inventory for mismatched sets and place an order without delay. If there are any questions please contact your sales representative for more information.

Thank you for your continuing support.

Best regards,

Mitsubishi Heavy Industries Air-Conditioners Australia
